Information and Acknowledgements

Rackheath Youth Theatre would like to thank the following organisations who have kindly donated raffle prizes: Ster Century, UCI Cinemas, Sainsbury's, Tesco and Hair by Diane. We would also like to thank St. John Ambulance (Thorpe Division) for providing first aid cover and to everyone else involved in bringing this show to stage.

Pick'n'Mix is Rackheath Youth Theatre's second solo production, their first was *The Dragon's Tail* in May 2002, but RYT have also contributed to Rackheath Players productions of *Red Riding Hood* (2002), *Puss in Boots* (2003), *Gold* (2003) and most recently *Cinderella* (2004).

Some of the material you will see is well known, from well known productions such as *Bugsy Malone*, *Les Miserables*, *Grease* and so on, but some of the material performed was written by the cast. Well done!

If you have enjoyed this production, you may like to watch the next production that the adult section of Rackheath Players are currently rehearsing. It will be held here on the 21st and 22nd May, and they will be performing Jimmy Chinn's comedy-drama "Albert Make Us Laugh". See the flyer enclosed for further details.

We are supporting the Rachel Cowap Memorial Fund. Rachel died aged 15 last November from a rare disease called Diffuse Leptomenigeal Gliomatosis and the fund was set up by her parents to help others affected by this terrible disease.

Please note that a strobe light is used for one section during the first half of the performance.
